

# HYPERION CAMERA LINE

PL-D726

## GENERAL DESCRIPTION

The Hyperion line of USB 3.0 cameras link together the benefits of high resolution CMOS technology with the high speed data throughput of USB 3.0 technology. PL-D726 monochrome cameras provide low noise images for outstanding value in a broad range of industrial applications. The camera features a 6.6 megapixel (2208 x 3000) resolution imager capable of 5.3 fps at full resolution.

The PL-D726 model is based on a ON Semiconductor CMOS rolling shutter sensor with a 1" optical format. The extensive built-in image processing possibilities (image pre-processing) result in outstanding image quality, less load on the system and higher performance. These cameras provide the user choice of 8-bit or 10-bit digitization and a dynamic range of 60dB in 10-bit mode. The external hardware trigger and 2 general-purpose outputs ensure users have the flexibility to synchronize the camera with their processes and illumination.

Pixeline's industry leading SDK uses a common API for all cameras regardless of the chosen interface. Software code developed for one camera is easily transferred to other Pixelink models without the need to recompile. Overall system costs are reduced and camera integration is simplified.

The flexible Region of Interest (ROI) control allows users to operate at higher frame rates by placing a lower resolution "window" on the imager at any location.

### Typical Applications

- High performance security & surveillance applications
- Parts inspection
- Metrology
- High resolution document archiving
- PCB inspection
- Flat panel display inspection

**Customization** - The products listed here are standard offerings. Pixelink also provides an extensive list of customized cameras to OEM customers around the world. We may already have what you need. If not, we can certainly design and build it for you.

## CAMERA FEATURES

Digital Imaging made simple

## SENSOR

Sensor	ON Semiconductor CMOS
Type	CMOS Rolling Shutter
Resolution	2208(H) x 3000(V) 6.6 MP Mono
Pixel Pitch	3.5 $\mu\text{m}$ x 3.5 $\mu\text{m}$
Active Area	7.73 mm x 10.5 mm - 13.1 mm diagonal
Peak QE	25 %
Max Datarate	40 MHz

## PERFORMANCE SPECIFICATIONS

FPN	<0.20 % of signal
PRNU	<1.7 % of signal
Dynamic Range	60 dB
Bit Depth	8 or 10-bit
Sensitivity at 650 nm	411 V.m <sup>2</sup> /W.s - 4.83 V/lux.s (85 lux = 1 W/m <sup>2</sup> )
Fill Factor	35 %
Mono Data Formats	Mono 8 and Mono 16

## MECHANICALS

Dimensions	32 x 48 x 11 mm (without lens mount)
Weight	46.2 g (without optics)
Mounting	Holes for 0-80 hardware
Lens Mount	C-Mount

## INTERFACES

Interface / Data rate	USB 3.0/ Micro-B / 5Gbps
Board Level Trigger Connector	8-pin Molex 1.25mm pitch
Trigger Modes	Software and hardware
Trigger Input	1 input, 3.3V (with internal pullup resistor)
Board Level GPO/Strobe	2 outputs, 3.3V

## FRAME RATES

Resolution	Free Running
2208 x 3000	5.3
1980 X 1020	17
1280 X 1024	25
640 X 480	88

Frame rates will vary based on host system and configuration

## BOARD LEVEL GPIO INTERFACE PIN OUTPUT DESCRIPTION

### Pin Pin Name & Function

- 3.3V power output
- TRIGGER, 3.3V HCMOS input
- Ground
- GPO1, 3.3V HCMOS output
- GPO2, 3.3V HCMOS output logic
- Clock, 3.3V (I2C access for OEM's)
- Data, 3.3V (I2C access for OEM's)
- No connection

Board connector: Molex 53398-0871 (8-pin, 1.25mm pitch, vertical)  
Cable receptacle: Molex 51021-0800  
Cable crimp terminals: Molex50079-8100

## POWER REQUIREMENTS

Voltage Req.	5V DC (from USB connector)
--------------	----------------------------

## SOFTWARE

PixeLINK Capture OEM	Free Download ( <a href="http://www.pixelink.com">www.pixelink.com</a> )
DirectShow	Bundled with PixeLINK Capture OEM
TWAIN	Bundled with PixeLINK Capture OEM
SDK	API, sample code and LabVIEW wrappers

## ENVIRONMENTAL & REGULATORY

Compliance	RoHS
Shock & Vibration	300 G & 20 G (10Hz - 2KHz)
Operating Temp.	0°C to 50°C (non-condensing)
Storage Temp.	-45°C to 85°C

## COMPUTER & OPERATING SYSTEM

Processor	Intel i5 or better
Memory	4 GB recommended
Operating System	Windows 7 / Windows 8
Hard Drive Space	75 MB
